THE PUBLIC SERVICE COMMISSION OF
SOUTH CAROLINA
DOCKET NO. 94-712-C - ORDER NO. 95-1083
MAY 12, 1995

IN RE: Application of American Communications)	ORDER
Services, Inc. for a Certificate of Public)	REVISING
Convenience and Necessity to Provide Private)	DATES
Line and Special Access Services within the)	
State of South Carolina.)	

This matter comes before the Public Service Commission on the request for revision of pre-filing dates subsequent to the continuance of the hearing date in this matter. The parties request that the rebuttal pre-filing date be extended, because of the extension of the hearing date. Upon consideration, the Commission certainly believes that this is reasonable.

Also, considering that the present case is a case of first impression in South Carolina, we believe that the parties should be entitled to file surrebuttal testimony if appropriate, subsequent to the filing of the rebuttal testimony. We therefore hold that rebuttal testimony in this Docket shall be prefiled on or before June 1, 1995, and that any surrebuttal testimony to be filed by any of the parties at their option should be filed on or before June 8, 1995. As usual, the Commission holds that the parties filing such testimony shall serve all other parties with copies of that testimony. In addition, the Memorandum of Law on

the jurisdiction of the Commission to rule in this case may be filed at such later date as may be determined by Staff.

IT IS THEREFORE ORDERED THAT:

1. Rebuttal testimony shall be prefiled on or before June 1, 1995; surrebuttal testimony shall be prefiled on or before June 8, 1995. All parties shall serve all other parties with copies of their testimony.

2. The Memorandum of Law on jurisdiction may be filed on such date as Staff may designate.

3. This Order shall remain in full force and effect until further Order of the Commission.
